CONSUMER ADVISORY: *There is some risk of illness if you eat raw oysters. If you have chronic problems with your liver or immune system, you have an increased risk of serious illness after eating raw oysters and you should eat oysters fully cooked. "Consuming raw or under-cooked MEATS, POULTRY, SEAFOOD, or EGGS may increase your RISK of food borne illness; especially if you have certain medical conditions." If you are unsure of your risk, talk to your physician. **ALABAMA DEPARTMENT OF PUBLIC HEALTH**

Please...

As a courtesy to those waiting to be seated, when you have finished eating, please consider having a seat on our riverside patio, where you can relax and enjoy an exceptional view of the Alabama River.
